Procedia
Computer Science**ICRTCSSE - 2016**

Message from Vice Chairman's Desk

It is quite gratifying to note that the department of Computer Science and Engineering of our college is hosting its Fourth International Conference on Recent Trends in Computer Science and Engineering (ICRTCSSE 2016), in association with Elsevier-Procedia Computer Science on 29th and 30th April 2016.

Organizing such an event at this point of time reinforces our objective of developing an environment for the exchange of ideas towards technological developments. I wish the conference would be able to deliberate on current issues of national and international relevance, particularly in the field of cloud computing, data mining, networks, image processing, big data analytics etc.

There have been unprecedented numbers of quality papers that are to be presented in the conference. I am sure that this occasion will provide an affable environment for the researchers and academicians to freely exchange the views and ideas with others. I convey my warm greetings and felicitations to the organizing committee and the participants and extend my best wishes for the success of the conference.

Er.S.PRIYADARSHAN B.Tech, M.B.A.,**Vice Chairman****Apollo Engineering College**

ICRTCSE - 2016

Message from Secretary

I am extremely delighted to note that the department of Computer Science and Engineering of Apollo Engineering College is organizing Fourth International Conference on Recent Trends in Computer Science and Engineering (ICRTCSE 2016) and is also bringing out a “Book of Abstracts” to highlight the recent research outcomes in the related field. In this connection I convey my best wishes to the team for their laudable effort and also wish them grand success in conducting the event.

B.KUMAR

Secretary

Apollo Engineering College

ICRTCSE - 2016

Message from the Principal

It is with much delight that I pen down a few words for the conference souvenir which is a tremendous effort of the department of computer science and engineering. This fourth International conference on “Recent Trends in Computer Science and Engineering” is being organized keeping in mind the latest innovations and developments and I am sure it would provide participants with minute details much relevant for present day survival.

I congratulate the entire team for the hard work they have put forth to give this international conference its much needed color and vigor. I wish them great success for the successful conduct of the entire event and hope this mission will be carried out with even more dynamism in the years ahead.

Dr.A.Baskar

Principal

Apollo Engineering College

ICRTCSE - 2016

Message from the Organizing Secretary

On behalf of Apollo Engineering College, it is my honor to welcome the participants to our Fourth International Conference on Recent Trends in Computer Science and Engineering (ICRTCSE 2016).

Our conference serves as a global platform for various forms of knowledge sharing irrespective of differences in time and geography. Our conference ICRTCSE 2016 serves as an excellent forum to explore the role of innovative technologies in computer science and engineering.

We are grateful to our management for their support, motivation and encouragement without which this event could not have been organized.

Dr.S.PRASANNA DEVI

HOD, CSE & Organizing Secretary
